

Internet / Facebook Permission Letter

Dear Parents,

We would like to keep our website and Facebook up to date with pictures about our school and children (events / birthday parties / activities etc.). To be able to do this, we will need permission from you to be able to post photos of your children and the activities they do in school.

For safety purposes, please note that we will **never** use student's names / surnames anywhere nor will we ever take any pictures of the swimming academy and post it on either schools website or social media sites because your child's/children's safety is very important to us. **No** cameras are allowed at the pool area at all times.

You are welcome to visit our Facebook page at Smiley Kids Waterkloof Glen and see what we have been posting for the past few months in order to make an informed decision.

Please note we will use very strict guidelines in what we post. The Facebook page is only a tool for a parent to be part of the school and the activities the children part take in.

Please complete the form attached, even if you do not wish to give consent you will see that there is a section indicating that you do not wish to have your child's pictures posted, please tick and send it back to the school. Each child should have this form on file.

Should you require any further clarification, please do not hesitate to contact me.
